"O that my ways were directed to keep thy statutes!" [Psalm 119:5]

"I thought on my ways, and turned my feet unto thy testimonies." [Psalm 119:59]

"For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts." [Isaiah 55:8-9]

"Teach me, O LORD, the way of thy statutes; and I shall keep it unto the end." [Psalm 119:33]

"Like the prodigal son, when he was in the pig pen, and he came to himself; he begin to think on his way, the way he'd treated his father, the way he'd treated others. And he came to himself. And as he thought on his ways, he said, 'I will arise and go to my father and say, 'I'm not worthy to be your child. Make me one of your hired servants.'" As he thought on his ways, he turned towards the father's house. It was Job, the patriarch. Not only did he think on his own ways; he thought on his children's ways. He thought this: When his young boys and girls was out having their parties, he said, "Peradventure they might have sinned, and I'll offer a burnt offering for them anyhow." He thought on his children's ways." [As I Thought On My Ways, Chautauqua OH, 59-0814]

"David, after he did wrong and taken Uriah, the Hittite's wife, the lovely Bathsheba, and was going to be the father of her child, and had caused her gallant husband to be killed in battle... But when the prophet, Nathan, come in and revealed his sins to him, then David thought on his ways, and he turned himself to repentance in sackcloth and ashes. That's the way to turn. God heard him. God will always hear a man or woman that'll turn their feet to His testimony. David was worthy of dying, and he pronounced his own death. But Nathan said, "Surely, you'll not die." For he knowed David knew God, and knew that he'd done wrong. He'd defiled his brother's wife." [As I Thought On My Way, Chicago IL 59-0610]

"What the Church needs tonight is a confession and making right to come back to the testimonies of the Lord God. There's mercy, forgiveness. Seems that it would haunt people, going on, know that you're walking hour by hour in the face of death. Why do we continue on with selfishness, and greed, and ungodliness, and--and our eyes on things of the world? It's time we turn back to God's testimonies. "As I thought on my way, I turned my feet to Thy testimony." [As I Thought On My Way, Chicago IL 59-0610]

"By faith "I'll serve God. I'll humble my heart in His presence. I'll take the way with God's children. I see them despised, and rejected, and drove out, and made fun of, but I'll still take my post of duty. I'll

stay right by them, and when they cry, I'll cry with them. And when they're sorrow, I shall sorrow with them. The way they live, I'll live." Like Naomi said--or Ruth said to Naomi, "Your ways be my ways; my ways be your ways; where you live, I'll live; where you go, I'll go; the God that you serve, will be my God." Take that choice, though it pulls the very skin off of your conscience, of thinking that you're somebody. Skin yourself down and take your way with the Lord's despised few, and stay loyal on the field of service and at the post of duty." [By Faith Moses, Jeffersonville IN, 58-0720M]

"David later cried out, "Bind Thy commandments on my bedpost. I'll honor Thy statutes, and all..." when he seen the goodness of God. But you know, the Psalmist said again, that God is our refuge, a very present help in a time of trouble. So, it's good to know God, find God, get on speaking terms with Him while there's nothing wrong. Then in the time of trouble, He's a very present help--in the time of trouble." [As I Thought On My Ways, Chautauqua OH, 59-0814]

"If God was so merciful to forgive a man of his sins, and to give him Eternal Life, he ought to be so reverent before God all the days of his life that he will never turn his feet from God's testimonies. Should always walk upright before God. But it's just that way; they do it that way. It behooves us all, while we are not in trouble, to seek God. It isn't good to wait till we get in trouble and then seek God; it's best to find Him now. For it is written that He is a very present Help in the time of trouble." [As I Thought On My Way, Chicago IL 59-0610]

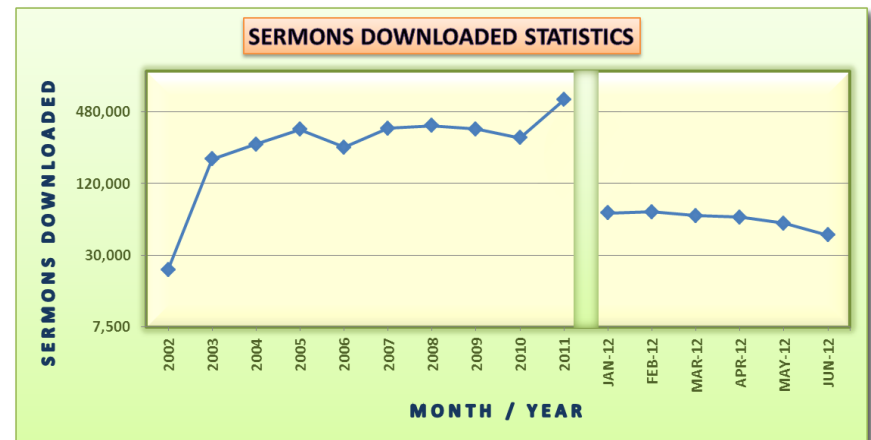

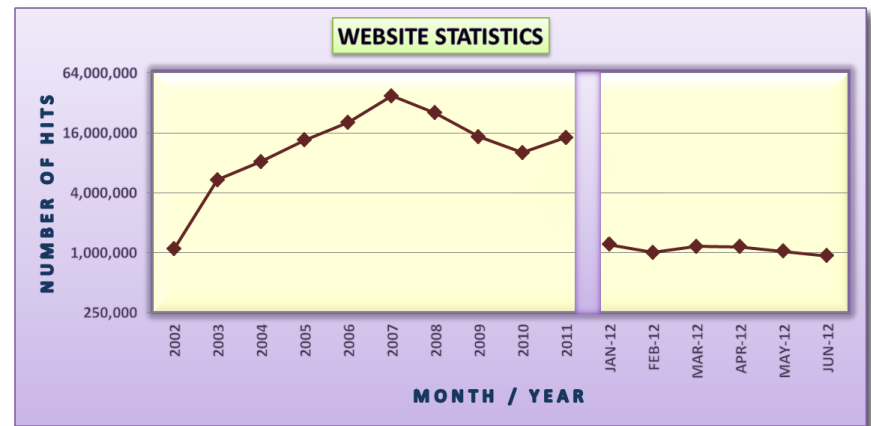

"Now, that still, little Voice that knocks at your heart's door, it might knock so many times till it may be very faint right now. But let's just be honest, just honest with God and ourselves, for just one minute. That little knock, way down there, that said, "I better curb my ways. I'd better be different. I'd better straighten up. I know there's things in me. I look here, I examine my life with this Word, and I see I'm wrong in many things." Look around, see how good; it's His goodness

that knocks at the door. No matter what we done, how much we've sinned, how much we've turned it away, how much we said, "Later on we'll do it." He is still, in the midst of all that, knocking. "And if any man or woman will just open your heart, I'll come in and sup" [A Door In A Door, Tucson AZ 63-0223]

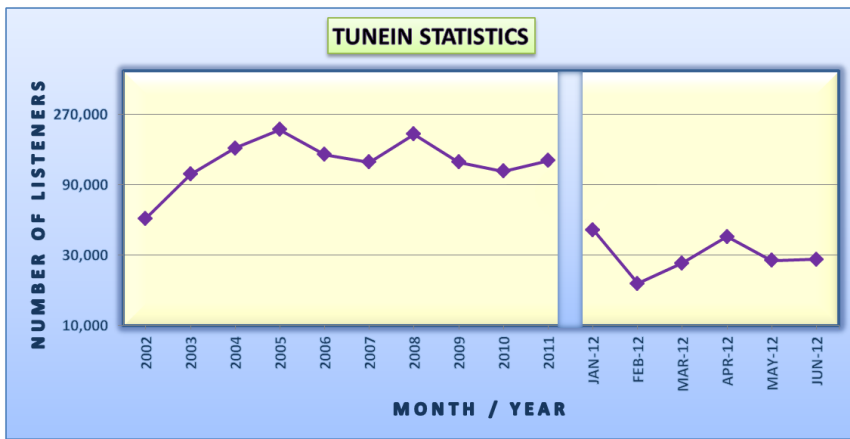

"You think of what you've done. Look at the evil. Look how you've put off Christ. You've intended to be a real Christian. You've intended to be filled with the Holy Ghost. You've intended someday, but your intention will never get you there. Hell's paved with good intentions. Brother, when you think on your ways, do the same thing the Roman soldier did, cry out to God, and say, "Truly, He is the Son of God. And I'll turn my feet to His testimonies. I'll live for Him Who died for me." [As I Thought On My Ways, Chautauqua OH, 59-0814]

"And David was just a man like all of us, that he had his ups-and-downs, and his differences. And he'd been very much in trouble. God has not promised to go through life, any believer to go through without troubles. But He has promised grace sufficient to take care of these troubles. That's what thrills my heart, is to know that His grace is sufficient. All of our depths, and--and troubles, and flusterations, yet God has promised to see us through. That's just as much as we could ask of Him, knowing that He knows the road. As Joshua said to Israel, "You have not traveled this a way before. We haven't traveled it." So He knows the way and can point it out." [Thinking On Our Way Cleveland TN 59-0706]

"Think of what you're doing. If you are a Christian, think the life you're living. Are you living above reproach--reproach? Are you doing the things that pleases God? Have your heart no condemnation? If you're a sinner, quiver under the power of God and come to the altar. If you're thinking on your ways while I've been preaching, if God has convicted you that you're wrong, then I can tell you one thing: I can introduce you to Something that's here tonight." [As I

Thought On My Ways, Chautauqua OH, 59-0814]

“May we think on our ways and turn to Thy testimonies. Guide our feet to that path of life, that bloody path that Jesus trod all the way from Pilate's judgment hall to Calvary. May we deny ourselves, pick up His cross, and follow after Him. As we're thinking, may the Holy Spirit speak to our hearts, and may we turn from our selfish way to the

ways of the Lord.” [As I Thought On My Way, Chicago IL 59-0610]

Our Bible Study Subject for July 2012: **O That My Ways Were Directed To Keep Thy Statutes**

May the Lord guide your feet to the Way of His statutes.

QUESTION:

What do the seven colors of the rainbow mean?

ANSWER:

“Noah's rainbow composed primarily of seven color. Anybody knows the rainbow's got seven color. Now, what are the color? Red, orange, violet... No, red--red, orange, green, blue, indigo, and violet. That's the color of the rainbow. Now, we got a deep thing here, and I'm just going to have to hit the high spots of it, 'cause it's getting too late. Now, remember, orange...or, red, orange, yellow, green, blue, indigo, and violet. Now, if you notice, seven... Watch. Seven rainbows... Seven color; I mean, seven-colored rainbow. That meant seven bows. Seven bows, seven churches reflecting seven lights, each light wrapped into the other one. It started off with red, red. After red come orange, which is a reflection of red. After orange was... After--after orange come yellow, which is red and orange mixed together, makes yellow. Then green. green and blue makes black. Then come indigo. And then from indigo comes violet, which is part of blue. Oh, oh, oh. Hallelujah. Don't you see? God, in His seven-colored rainbow, His covenant that He made, a covenant that through Seven Church Ages, the seven color He would save the earth.” [Revelation, chapter 4, Part 2, 61-0101, Jeffersonville, Indiana]

“The red, the red to us is a color of danger.

But red also is a color of redemption. Redemption comes through Blood. And God's testified that Blood is, was, and always will be the only resource of redemption. All the way from Eden, all the way through the Scripture, it's the Blood. Without the shedding of Blood, there's no remission of sin.” [Christ 55-0221, Phoenix, Arizona]

“We see Him in the circle bow of green, amber color. This greenish, what does green represent? life. green is the evergreen, always stays green, is life. What does it mean? That God has promised, as He took a oath back there in Genesis, that He would no--put the rainbow in the sky, that He would no more destroy this world by water. He also takes His oath and swears by Himself, that all the Seed of Abraham He'll raise up, and this world will stand all of its shaking judgments.” [Revelation, chapter 4, part 2, 61-0101, Jeffersonville, Indiana]

“This great Forerunner has gone before us, making a way. He become from spirit, the great fountains of the rainbow of God, who had no beginning or no end. He was, forever, God. This ray of Light went forth. It was a ray of love, that's the main one, red. The next color follows, which was blue; blue, the trueness. Next, followed after that was other color, through the seven perfect color, which is the seven spirits of God, that went from that great Fountain or that great Diamond that Jesus spoke of. That great Diamond was chipped, to reflect these color. God was made flesh and dwelt among us, that He might reflect His goodness and

mercy among us, by gifts and signs and wonders. That whole big rainbow had become in a theophany, of made in the image like man. Yet, He wasn't a man; He didn't have flesh, yet. He was a theophany." [Hebrews Chapter Six, Part Three 57-0915M, Jeffersonville, Indiana]

"Red to us speaks of danger. Red is not a good color to us, in the way of speaking worldly. "Red" sometimes means "the--the danger sign." But red, also in the Scriptures speak of redemption. Red has been God's sign of redemption, punishment. Did you notice all the way down through the Scripture from the days of Adam, all the way down through until this day it's been one scarlet streak of red, blood. I often wonder how people can shun the Blood of the Lord Jesus the way they do after they see in His suffering." [The Waters Of Separation 55-0606, Macon, Georgia]

"In there, we find out that, He had seven varieties of Spirit. Is that right? The Bible said, in the Revelation, that, "The seven Spirits before the Throne of God." Is that right? [Congregation says, "Amen."--Ed.] The seven, manifold, seven Spirit. We find out, there is seven color. There is seven church ages there. Oh, it just runs. Seven is complete, and God was complete. And seven Spirits, and those Spirits were perfect. The first was the color of red; perfect love, redemption. And how, if we had time, to give those color and show that each one of those color represents God's purity. Amen. Those color, there is seven natural color. Those color represents the purity of God. And the... Those color represents the motives of God, the attitude of God. Those seven color, they represented seven church ages, seven stars, seven angels. All through the Scripture, seven ministers, seven messengers, seven messages, all in the sevens. Seven days. Six days, and the seventh is the sabbath; perfect, complete. Oh, it's beautiful, if we just had the time to dig into it and to bring it out, those color!" [Hebrews Chapter Seven, Part Two 57-0922, Jeffersonville, Indiana]

"Take the color red. We take the first color, is red. What is red? Red is one sign of danger. Red is a sign of redemption. And you look at red through red, what color is it? White. That's correct. So when the red Blood was shed, to cover red sin; God, looking through red Blood, look at red sin, it becomes white. The believer can't sin. Certainly not. The Seed of God, the blessings of God, remains on him. God can't see nothing but the Blood of His own Son. No matter what it is in His Church, what it is, God don't see it, because Jesus is making intercessions, constantly, the High Priest. No way for him to sin, when such a Sacrifice is laying there for him, like that. Certainly not. And now if you say, "Well, that gives me a good chance..." Then that shows you're not right. [Hebrews Chapter Seven, Part Two 57-0922, Jeffersonville, Indiana]

"There's three stages of everything. There's a stage of the mortal body, the immortal body, and then the glorified body. See? Just like, other things, like Father, Son, and Holy Spirit goes in one channel, and the three makes the one. Justification, sanctification, baptism of the Holy Ghost in a channel makes the one. And--and soul, body, and spirit makes the one. And it travels in three's, and three's are one. And take a--a three cornered piece of glass and lay it in the sun, it'll reflect the color. Yet seven color will come down to one. And you take red, and look through red at red, how many knows what color it'll be? White. Uh-huh. Isn't that strange that red through red looks white? Red is the sign of redemption. And when you... God looks at our RED sins through the RED blood of His precious Son; they're white. See? So... But He has to look through the Blood. If it doesn't, they are sinful. So we have to be under the Blood." [Hear His Voice 58-1005m Jeffersonville, Indiana]

Excerpts From Guestbook, Testimonybook, & Eye Witness Accounts

● **June 22, 2012 - 02:52 AM Chiedza from Zimbabwe** My 15 year son was sick period 16 April to 3 May 2012. He was wrongly diagnosed twice. First the doctor said he had a stomach infection and was given medication but the situation did not improve, 4 days later another doctor suspected that he had critical hepatitis. by then his organs were failing. his urine had turned coke back, they said his liver was swollen, he had high temperature and was dehydrated. he was put on drip while they send his blood for tests. that night 16 April 2012 he was admitted into hospital and we were told that he was dying unless there was a miracle. We began praying for him and called our pastor for prayers. That night I did not sleep, I was crying to God in prayer, and read many verses for healing. The next day, I was not sure if my son had made it through the night, I was so restless and scared. I finally called the hospital and asked the nurse how my son was doing, she said not too good. That alone was a miracle for me, the fact that he was still breathing meant there was still hope. the results showed that he had severe cerebral malaria and severe typhoid combination. we had many questions why?, how?. we saw the hand of the Lord in the care he received from the doctors they were kind and committed. he was put in intensive care unit on life support, because he was no longer able to breath on his own. the doctors put him under aesthetician and put him to sleep because his organs needed to rest while they administered medication. He partially woke up 4 days later but still on n life support machine. for days we visited him, talked to him prayed, it was hard and painful. Sometimes I asked God why, sometimes I tried to sing, sometimes I just cried. As the days passed we were told his blood pressure was too low, his left lung was collapsing, he had pneumonia in the chest, his blood was not clotting, his blood was not enough, he needed new human blood plasma, his temperature would go too high, too low, and other medical terms which were all so complicated. It was during one of those trying days I met a young nurse who attends Living Word Ministries in Belvedere Harare, Zimbabwe, She gave me a number to call Pastor Chidoti. I called the pastor and explained my son's situation and he said lets pray over the phone. He prayed for my son for almost 30 minutes. From that day each time I went for the visit my son's results were improving for the better. Slowly they began to remove him from the live support machinery. It was a miracle he was discharged on 3 May. On the day he was discharged the medical staff thanked God, most of them told us they never thought he would make it. He is now back at school. I thank God for healing my son. Thank you Pastor Chidoti for your prayer. May the Lord continue to bless you as you go on working for Him.

● **June 16, 2012 - 01:15 AM George Abney from United States PLEASE...**remember my family in prayer that we remain inside the spot light of God's perfect will inside of His blessed Word and under the shelter of His holy blood. Thank you. We pray for the bride of Christ every day. God bless you all
