## Subject of the Month

“And Simon answering said unto him, Master, we have toiled all the night, and have taken nothing: nevertheless at Thy Word I will let down the net.” [Luke 5:5]

“In the beginning was the Word, and the Word was with God, and the Word was God.” [John 1:1]

“And Mary said, Behold the handmaid of the Lord; be it unto me according to thy word. And the angel departed from her.” [Luke 1:38]

“I don't care what they said. "At Thy Word, Lord, I'll let down the net!" When he seen that Word vindicated, when Jesus told him something, he believed it, and he let down that net into the water where there was no fish. But, if God said so, He could put fish there, the same as He put water in the skies. He can put healing in your body, I don't care if there is nothing there. You're trust Him to raise it up in the last days. "At Thy Word, Lord, I'll let down the net." It so influenced that fisherman, till he left the fish and all, and followed Jesus. It was an influence, when he took Him at His Word. Then what did He do, "Well," he said, "thank You, Lord, for a nice mess of fish"? Said, "Leave your net alone. From henceforth you'll catch man." The apostle went into action! never die. These signs shall follow them that believe." We have the promise, God's Word. It's a comfort to us to stay with God's Word.” [Influence, Beaumont TX, 64-0315]

“Now, faith simply trusts in His Word. See? That's what He wanted them to do. That--that... Now, you get the background now. That's exactly what God wanted the human race to do: to trust in every Word He said. And Eve trusted a whole lot of It, but one little thing. She accepted, "Well, if I'll become full of wisdom, maybe--maybe it was that way. Maybe it's supposed to be this way." See? Then right there's where she lost her hold. That's where she started sinking, right there. That's where the whole human race went right down to the grave from right there, because she doubted one word.” [Wisdom Versus Faith, Jeffersonville IN, 62-0401]

“Can you trust Jesus Christ for that operation? Can you believe in Him? Can you say, "Lord God, at Thy Word, at Thy Word, as the disciples said in Saint Mark 5, when they said, "When we seined all night and have taken nothing.

Nevertheless, Lord, at Thy Word, I'll let down the nets," said Peter. "Lord, I am a fisherman; I know the signs when the moon's just right. I know when they're biting and when they're not. I know when they're in their schools and when they're not. Not only that, but I've seined all night, and here is a council of doctors here with me, Doctor Fishermans. And we know our trade, and we've searched this stream all night long and haven't taken nothing. But at Thy Word, Lord, I'll let down the net, because the--the Chief Surgeon said so. The Chief Doctor said so." And they enclosed such a multitude of fishes till their nets begin to break. Why? Faith is the victory. There might not have even been one fish in the water. But when God has made a promise, He will create fish and put them there." [Faith Is Our Victory, Jeffersonville IN, 58-1004]

"Why don't you do like the apostle said? "Lord, I don't know how it's going to happen, but at Thy Word, Lord, I'm going to let down the net tonight. I'm going to let down and believe with all my heart that You're going to heal me tonight." You'll go away from here a well person. "At Thy Word, Lord, I'm going to let down the net." [At Thy Word Lord I'll Let Down The Net, Johnson City NY, 54-1207]

"And they'd toiled all night through that same water, and hadn't taken a thing. But he said, "Lord, at Thy Word, I'll let down the nets." There's the secret. You've been maybe seined through every doctor's office there is in the country. You might've been through prayer lines. You might've had your pastor praying. You might have consecrated Christians to pray. You might've tried everything that you know how to do. But tonight say, "At Thy

Word, Lord, I'm going to let down the net right now. I'm going to stop trying anything; I'm just going to believe You right now, and take at Your Words. I'm going to let down the nets." And it won't be long when you're pulling till you feel the tug, and the net will be full of fishes: joy, salvation, healing, blessings from God." [At Thy Word, Minneapolis MN, 50-0714]

"Now, what is faith? "Faith is the substance (not just the mythical thought), it's the substance of things hoped for, the evidence of things you do not see," taste, feel, smell or hear. There's none of the senses declare it, yet the sixth sense, which is faith...The outside man is governed by five senses: see, taste, feel, smell and hear. The inside man is governed by two senses: either faith or unbelief. If you believe it, it's just as real to you as if any of the natural senses of the body declare it. And truly, these senses of the body can be fooled, but faith is absolutely infallible." [Taking God At His Word, Owensboro KY, 53-1103]

"He did in that age just as He did in all ages, and like He will do, just as He promised to do. God promises anything, then He comes down and proves His Word to be right. All that believe, all that believe the Message of that age, come in and was saved. So will it be in any age. All who did not believe the Message and the messenger, perished. And all who truly believe the Word of God today, will be taken out. All that does not believe the Word of God, will perish with the world, 'cause they are of the world, and everything that's in the world must perish with the world. And everything that's saved in God, must be in God, and cannot perish, "I'll give them Eternal Life, and raise them up at

the last day." Now, what a consolation to every believer, to know, when you're in Christ, that just as sure as God keeps His Word and perishes the world, He keeps His Word and raises up His people and saves them. He proves it." [Proving His Word, Jeffersonville, IN, 64-0816]

No matter what the doctor said, God's Word's so. "**At Thy Word, Lord, it's finished.**" Yes sir, I know that to be the truth." [Taking God At His Word, Owensboro KY, 53-1103]

#### QUESTION:

Is it wrong to worship and praise the Lord in dancing?

#### ANSWER:

"And as they marched over, how beautiful; that types our churches today, how that they crossed through the Red Sea. And then, Moses began to sing in the Spirit. Miriam picked up a tambourine, begin to dance just like an old fashioned Holy Ghost meeting: dancing and singing, and praising the Lord. Why? They had the victory. They got the victory. All the tas... [Blank.spot.on.tape--Ed.]... the next morning. And when they went out, Manna laid all over the ground.

[Blank.spot.on.tape--Ed.]... From God out of heaven. They tasted it, and it taste like honey. Oh, my. There's something about honey that's sweet." [Believest Thou This, Minneapolis, MN 50-0716]

"God is under obligation to take care of His promise. When God brought Israel out of the wilderness back there, out into the wilderness, rather, He promised to take care of them. And what God promised, God's under obligation to do. When they needed water, they went to the rock. When they needed food, God rained manna out of heaven. He opened up the Red Sea. Look at that manna falling down, what a beautiful type of our Church today. As God led Israel in the natural, He's leading the Church

today in the spiritual. Watch this. Then when they crossed over the Red Sea, all the taskmasters was dead. The Red Sea, the Blood of Christ, the man come through the Blood be sanctified from the things of the world set over on the banks over here of a new land, a new people. There was Miriam; she got real happy. She got a tambourine and she went to dancing. Down the banks she went dancing. The daughters of Israel followed behind her dancing. Moses got in the Spirit and sang a song in the Spirit. If that ain't an old fashion Holy Ghost meeting, I never seen one in my life. There you are. After they'd crossed over into a new land, then God said He'd take care of them." [The Resurrection of Lazarus, Erie, PA 51-0729A]

"Now, I'm speaking directly to Christians so that you could see the pro and con, the negative and positive where there's anybody asked you, then you can give them a--an answer. Now, of everything that God has, the devil has a counterfeit. You go and whatever you want to do... You find like these old dances; that's of the devil; but God has a holy dance for the people. The Bible said so. I was one of the greatest critics on that you ever seen, till God told me just what to do. I find out that Miriam danced in the Spirit. David danced when he had victory. And oh, many time--it... All of it was through--was victory. It was dancing, holy dancing." [Demonology, Owensboro, KY 53-1112]

"And remember when Jesus commissioned His disciples not to go to the Gentiles (Is that right?), but go rather to the lost sheep of Israel. How did they condemn themselves? By blaspheming the Holy Ghost, calling

the Spirit of God an unclean thing. Made fun of Him when they were dancing in the Spirit, and so forth, on the day of Pentecost. That same city that made fun of it, Titus killed them in there, and their blood run out the gateway. They eat their own children and everything in that same century. That's right. One of the greatest nations of the world become the lowest, and scattered to ev--four winds of the earth. Because why? Unbelief. And that was the original stump, the original tree, Israel." [The Laodicean Church Age, Jeffersonville, IN 60-1211E]

"[Blank.spot.on.tape--Ed.] People set in the back of the church and laugh at somebody that's speaking with tongues or dancing in the Spirit: gone, blasphemed the Holy Ghost, sealed forever. "Whosoever speaks a word against the Holy Ghost will never be forgiven in this world, neither in the world to come." Don't gaze upon It. Stay away from It or either accept It. We'd better leave that Scripture. Read It on, the rest of It; see what God said. And the people said, "O Moses, you speak. Don't let God speak any more. We wish now we hadn't have asked for this. (See?) Let you speak to us, Moses. If God speaks, we'll all die." See, God had made an atonement." [Revelation Chapter Four #3, Jeffersonville, IN 61-0108]

"I heard my mother... I never was at a dance in my life. But I heard only a--a holy dance one time in church. I never forget that. When we was still a Baptist church, I would always criticize, kinda, in my heart. I wouldn't say it out loud, because I--I'd be afraid to do that. Anything that God does... I always kinda thought it was kinda

strange to see, when I seen, first got acquainted with the Pentecostal people, see them dance, you know, dance around. I thought, "Now, you know, that ain't in the Bible. What--what are they dancing about?"... [Only Believe,
