Subject of the Month

“For what if some did not believe? shall their unbelief make the faith of God without effect?” [Romans 3:3]
“And, behold, thou shalt be dumb, and not able to speak, until the day that these things shall be performed, because thou believest not my words, which shall be fulfilled in their season.” [Luke 1:20]
“He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.” [John 3:18]
“And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind.” [Luke 12:29]
“Now, to doubt this written Word would be sin, and to doubt His spoken Word would be sin. See? Now, you must be prepared, and all you in the prayer line, to believe. And if you do not believe, I'd just step out of the line, 'cause, be assure, you'd be worse off than you ever was in all your life. See? For He said, "Go in," what no more? That's disbelieve. Unbelief is sin, "Go and sin no more, lest a worst thing come upon you." He wasn't talking about some immoral act; He was talking about your unbelief. He that believeth not is condemned already. See? It's your unbelief is what condemns you. God don't send you to hell because you're a sinner; He sends you to hell because you reject your provision that's made for heaven. See? You just reject that... You don't have to do a thing to go to hell. Only thing you do is just reject Jesus, just fail to believe His Word, that's all you have to do. See, Satan's always put a question mark across that. But that is THUS SAITH THE LORD.” [51-0928 At Thy Word, New York NY]
“And Jesus marveled at their unbelief, and many mighty works He could not do. Takes your faith too because of why? The lack of His power? The lack of God's will? The lack of faith, unbelief. Because of your unbelief, He could not do it. Here the disciples, being defeated, and right in the midst of their defeat, down the mountain come the most lovely Person that ever walked on the earth, the Lord Jesus, the Son of God.” [56-072 All Things Are Possible To Him That Believeth, Shreveport LA]
“And the believer that receives it, it isn't ridiculous to him because by that is the substance of things hoped for, the evidence of things he can't see, taste, feel, smell, or hear. But

he knows it's there. It's not ridiculous to him because it's just as good as done. See? He don't have to worry anything about it. He knows God told it, and God said it; that's enough for him. All right. So we want to have faith. God wants us to have faith. **And unbelief won't destroy His plans. It won't do a thing to them. It'll go right on just the same. I'd like to see for somebody to take their unbelief and stop the sun. "Well, you say your faith..." Oh, yes, it did. Joshua did. Faith will do it. But your unbelief will get nowhere. That's right. No."** [62-0128m *Unbelief Does Not Hinder God, Phoenix AZ*]
"You can't believe that Jesus Christ is the Son of God, and live the same life that you once lived. That's right. That makes it pretty strong. That's not skim milk by a long ways, but it's good for you. You can't believe with all your heart, that He is the Son of God, and accept Him as your personal Saviour, and live the life you once lived in sin. Because He said, "You passed from death to Life, and--and will not coming into condemnation: but you passed from death to Life." Saint John 5:24. Do you believe that's the truth? Jesus Christ said so. So then, you see, the only thing that condemns you is your unbelief. And if we can't have faith enough to believe God for little things that we see taking place, here, and try to muddle it all up, and say, "It's psychology. It's mental telepathy, or something like that." How in the world are you going in the resurrection? Figure that out. When your body will probably be not over a spoonful of ashes. But God will raise it up. "He that eateth My flesh and drinketh My Blood has Everlasting Life, and I will raise him up at the last days." Jesus said that in Saint John 6.

"He that eats My flesh and drinks My Blood hath Everlasting Life, present tense, now, and I'll raise him up in the last day." You believe that?" [52-0715 *Faith In The Son Of God, Hammond In*]
"He knowed who'd come in. But it's His provided way. All that heard Noah, standing in that door and preaching judgment... Sometimes it sounds radical, and always has, to the unbelieving heart. But unbelief doesn't stop God. Unbelief only stops the unbeliever. It doesn't stop... You can't stop the sun from shining with unbelief. And you couldn't stop the program of God with your unbelief. John the Baptist said, "God's able of these stones to rise children to Abraham." See? God's Word has spoken; it's got to come to pass. See? Somebody's going to hear It. Somebody's going to get the benefit of It. We're all free moral agents, can take our choice." [61-0516m *God's Provided Way, Grande Prairie AB*]
"The one thing that we have to move up to now is a supreme faith to what we have had, something that... You cannot have that faith until you know perfectly what you're doing. When you understand... Like you... You walk. You just say, "Well, I'm going home. I'm going out and start the car." That's all a act of faith. "Tomorrow I will meet you at a certain place." That's all a act of faith, because you've just done it so much, because it's a regular routine with you. Well, that's the way the things of God are. After you have trusted Him, and watched Him do so many things till it becomes just like a regular routine. And that's the condition I think the Church will be in just before the coming of the Lord. So the rapture will just go right on that way. It'll just be a regular routine of

following the Scriptures and the plans of God." [47-0412 *Faith Is The Substance, Oakland CA*]

"Why, you're too old. Your wife's twenty years past menopause, man." "I don't care if she's a hundred years past menopause; we're going to have the baby." "How do you know?" "God said so. That settles it. God said so." No matter how ridiculous it sounds, if God said so, all right. God makes it ridiculous. **All faith is ridiculous to the unbeliever. Faith is only real to God and the one who has it. Unbelief don't stop God. It don't bother God's plans; it don't bother God's Word; it don't hurt It; it don't ruin them. It only ruins the one in unbelief. It only ruins the unbeliever, not God. God's promises will be fulfilled just exactly the same. You just beat your brains out trying to get away from it. It don't stop God. Certainly not. His promise is made. His Words are there. All the unbelief you can muster together won't stop it. Try to take your unbelief and stop the sun from rising. Try to keep rain from falling with your unbelief. God will do it anyhow, because it's in God's plan.** It's God's program. And He will heal every sick person that'll take His Word for it. It's His program. He said so. "I'm the Lord heals all thy diseases." [59-0415E *The Faith Of Abraham, Los Angeles CA*]

"Confess your sin, right now. You say, "Well, I'm a Christian." Confess your unbelief. Tell Christ that you'll never disbelieve Him again; right now you're accepting Him; right now it's going to be over; you're never going to complain about it any more. No matter what it looks like, what it feels like, you're going to believe it, because God said so. God said so. You've come out of Babylon's tower. You've come out in the valley

where the Lily of the Valley is at. You've come to the mountainside, where the grace of God is flowing freely from the Fountain of Life." [58-0128 *The Oneness Of Unity, Waterloo IA*]

"Confess your faults, say, "God..." If you've done anything to somebody say, "I'll go back and make it right." Do that now. Now, I want each one of you now, as I say this prayer, I want you to pray it. You say it out loud with me. I'm just going to say it, but you pray it from your heart. With your heads bowed, eyes closed, everybody, don't raise your head till I say so. I'm just looking to see what I can see. Say this behind me: **Almighty God, Creator of heavens and earth, Author of Everlasting Life, Giver of every good gift, be merciful to me, O God. Forgive my unbelief. I believe the Gospel. I believe that You're here. I believe that you're now performing Your Word in my body. Open the channels. I empty out my unbelief. I receive Your Spirit. I believe that You're in me now. I believe my sickness will vanish. How can death and life exist in my body when You are in there? I believe You, and I accept You now as my Healer.**" [58-0128 *The Oneness Of Unity, Waterloo IA*]

"What about you? Oh, God, how merciful You are, how long suffering, not willing that any should perish. Now, set closed in with God. Confess your sins. Confess your unbelief. Tell God you're ashamed of yourself, of your unbelief. I challenge you to do that, and you'll see the glory of God.." [58-0128 *The Oneness Of Unity, Waterloo IA*]

QUESTION:

What Does God Think About Medical Vaccines?

ANSWER:

"Is there no balm in Gilead; is there no physician there? why then is not the health of the daughter of my people recovered?" [Jeremiah 8:22]

"The fruit thereof shall be for meat, and the leaf thereof for medicine." [Ezekiel 47:12]

"They that are whole need not a physician; but they that are sick." [Luke 5:31]

"Doctors' medicines. You know there used to have a time they didn't have any toxin for such as smallpox. Thousands died yearly with smallpox. They didn't have a diphtheria toxin, and thousands died every year with toxin--or without having any toxin they died with diphtheria. But now they got toxin. They got inoculation for those things. And how does a doctor ever get a hold of these medicines anyhow? What, how do the--how do they ever do it? You know what they do? They put a lot of stuff together: some poison, and then some antidote, mix it together till they mix up a formula. And then they get a--get a guinea pig, and they inject this medicine into the guinea pig. If he survives it, then they give it to you. And then... And if it... See, it's to kill the disease that's in your body: so much of poison, so much to upset that poison. Too much poison would kill you; too much antidote wouldn't do you any good, the medicine wouldn't. It's got to be a balanced formula." [Why? South Gate, CA 62-0622e]

"A doctor; you know, it's just like patient dying on a doctor's doorstep, and he's got the toxin in there for the patient, to cure his disease. Now, if the patient sits out on the doctor's doorstep, and said, "Well, I got a certain disease, and--and... but the doctor's got the medicine on the inside, but I just ain't going in there. I just don't like that doctor, and I'm just not going to take his

medicine." Now, you can't blame the doctor for it if he dies right on the step. Certainly not. The doctor's willing to wait on the patient. And you can't blame the toxin. He's got plenty of it in there. But, the patient, it's because the patient don't want to come in and take the toxin. That's the reason he died." [Why? Phoenix, AZ 61-0128]

"There was a time in this country where they didn't have toxin for smallpox. Many people died with smallpox. But there's no excuse today. There's plenty of smallpox toxin. And for other diseases, they have it." [Balm In Gilead, San Jose, CA 59-0614]

"There was a time when there was no toxin for diphtheria. Many died because there was no toxin. And there was a time when there was no toxin for typhoid fever. But they got toxins today for those things." [Balm In Gilead, Chicago, IL 59-0614]

"There was a time when we didn't have any toxin for smallpox. Many people died. But now we've got toxin for smallpox. We got smallpox, and for diphtheria, and many diseases, even now for polio we got toxins." [Balm In Gilead, Cleveland, TN 59-0707]

"It's a dangerous thing. We had in our country just now that Salk vaccine. They asked everybody to take it, young and old, to inoculate from this horrible polio. And everybody, thousands went in to take it. And how did they--how did they do that? You see, you find out in taking doctor's medicine...You know, it'll work on some people, and then it won't work on the others, because that you know, everybody ain't made alike. Now, we have this penicillin. I carry a card in my pocket so that if I'd ever have an accident, a doctor must never give me penicillin. It would kill me. So it'll kill some people and help others, because this serum doesn't work just right on all the people." [The Way Back, Shreveport, LA 62-1123]

"It's dangerous if you've got a disease, and the--and the doctor's got a toxin for that disease, and you don't go get inoculated. Like smallpox, an epidemic in the land of smallpox--if you don't go get vaccinated,

you could die with them smallpox. Like the great Salk vaccine now. You say, "You believe in Divine healing, and talking about medicine?" Oh, yes. Uh-huh. God heals all sickness. Medicine don't heal no sickness. We know that. Medicine does not heal. There's no doctor will tell you that medicine heals. Medicine cannot build tissues. It takes God to do that. Psalms 103:3 said, "I am the Lord who heals all thy diseases." Now, you can break your arm. A doctor can set it; he can't heal it. Have a toothache, he can pull the tooth out; but he can't heal it. You got appendix. He can remove the appendix, but can't heal where he cut. It takes God to do it. He is the physician of all. Now, we have remedies, and so forth." [Why? Phoenix, AZ 61-0128]

"You know what? If you refuse to take the

doctor's medicine, it's dangerous. You might die if you don't take the doctor's toxin. You might die, and that's dangerous to not take it. Like the Salk vaccine, like the smallpox...When I go overseas I--I... They believe... They--they give me so many shots I look like a guinea egg to get into places where they just, the shots--shots with yellow fever and--and all kinds of toxins. They say that keep you from taking it. I didn't want to take it, but you have to take it anyhow. So that's all right." [Why? Bloomington, IL 61-0413]...
