Subject of the Month

“According to my earnest expectation and my hope, that in nothing I shall be ashamed, but that with all boldness, as always, so now also Christ shall be magnified in my body, whether it be by life, or by death.” *[Philippians 1:20]*

“My soul, wait thou only upon God; for my expectation is from him.” *[Psalm 62:5]*

“For mine eyes have seen thy salvation,” *[Luke 2:30]*

“For the earnest expectation of the creature waiteth for the manifestation of the sons of God.” *[Romans 8:19]*

That's the reason today that people don't see the things that they should see, the mysteries of God being unfolded, because they're not looking for it. God only reveals Himself to those who will let Him, and expecting Him. Oh, have you noticed in the last two or three nights of service, that the Holy Spirit has brought us to that place each night? The expectancy, somebody who's being led, and expecting something to happen... The thing of it is, we're not expecting enough. If the people here tonight that's sick and afflicted come with expectations of going home well, you'll go home well. If you here tonight, has never received the baptism of the Holy Spirit... Oh, it may be mysterious to you. But as long as God's Word teaches it, that's enough. God said so, and that settles it.” *[59-0411e, Watching His Star, Los Angeles CA]*

“Now, fear has no valuation in it, none whatever. It's perfectly endless, it doesn't--it hasn't got one good thing about it. If I was to be shot in the morning, was going to be shot, what good would it do to have fear? What good would it do me? You say, "Well, what good would faith do you?" **Faith could deliver me. But fear won't help me a bit. You just get yourself all worked up and more nervous than ever when it comes time for the gun to fire. So let's have faith. Faith could deliver me, but if it doesn't, what good would fear do anyhow? Just stay right with faith and hold on to it. Take God's promise and remain with God.” *[61-0207 Expectation, Long Beach CA]***

“Now, expectation, it has to be built upon something that got a faith behind it. Because if you're expecting something is because something's been promised or some way like that. So if you want to have real expectations it must be built upon **THUS SAITH THE LORD**. Look at Noah. It was... Sometimes God

asked you to do things that's ridiculous to your own human thinking. Now, remember, if you're going to enter this revival trying to figure out something, you might as well enter out to begin with, 'cause you can't do it. Remember, **God does not know man by--or God... Man does not know God, rather, by his head. He knows Him by his heart. In the garden of Eden, why, man was divided between God and Satan. Satan took his head; God took his heart.** With his intellectuals he tries to reason out things, but by faith in his heart through God will make him believe things that reason won't even vindicate. "For it's the substance of things hoped for, the evidence of things not seen." See, it's... He's got to believe God's Word." [61-0207 Expectation, Long Beach CA]

"Now, when Noah was asked to build an ark by God, why he moved with fear, knowing... Could you imagine what the critics was saying? **Noah was expecting it to rain, because God said it was going to rain. Now, it never had rained on the earth.** Could you imagine the critics saying, "Oh, look, poor old fellow's kinda little off at his head. But he said... "Where's that rain at Noah? Tell me where it's at; I don't see any of it up there. There--there's no rain from up there, never has been, never will be." **But Noah said, "God said so. That settles it. If God said so, He can create rain up there if He wanted to."** So he was expecting it to rain, so he made preparations for the rain. Oh, I like that. Oh, make preparations as long as you hear God's Word, then make preparations for it to happen and wait under expectation. Oh, that makes me start feeling religious to begin with. See? To think that... God said so, then make-

-be expecting it." [61-0207 Expectation, Long Beach CA]

"And if you come expecting to get help from God, God will meet your expectancy. He always does. Wherever you go, whatever you do, **what you expect brings your faith.** If you come saying, "Well, there's nothing to it," that's just the way you'll go back home, with nothing to it. If you come tonight saying, "Well, if I don't get prayed for, I'll go home and won't be healed," that's just the way you'll go. If you come here tonight saying, "I come for one sole purpose, that is to contact Christ for my body or my soul," you'll go home just as happy as you can be, for you'll contact Him. **Now, no matter what the opposition looks like, Christ is the answer. Faith brings Christ.** Notice, could you remember? Eighty years old, white beard, white hair, and yet the old man went around telling people that he wasn't going to die until he seen the Lord's Christ. **What a beautiful picture of faith. Faith knows no defeat. Faith is perfect. Faith brings things when there is no things to be brought. Faith creates. Faith takes doubt away, takes negative and makes positive.** How beautiful. The old man had a basis for faith. Faith is not mythical, something mentally worked up, it's an absolutely, fundamental result that happens in a persons heart. When faith is appropriated, then it is something in the person's heart. But it can't be based on, say, "Well, go touch a tree and you'll get well," or--or, "Pray to the--the post." It's got to have a foundation." [53-1108e, Expectancy, Owensboro KY]

"But "expectancy," that's a great thing, to expect something. You usually get what you expect. Some people come to

the meeting and say, "Well, I didn't--didn't expect to get anything out of it." Well, they won't. **But those who expect to get something, God will give them their expectations, if they're doing it reverently and in the fear of God. Now, always to find out something first is to find whether it's the will of God or not. And then if it's the will of God, then your object--objective to it, and then your motive in doing it. If it's the will of God, and your objective is right, and your motive is right, it's got to happen. There's just no way to keep it from happening. So first find the will, if it's God's will. And then, what--what's your objective in doing it? What's...? If it's selfish, you'll--you'll never--you'll--you'll never get it done, that's all. It's got to be real clean and clear before God or it just won't happen. That's all. It's... You got to always keep that on your mind, that it's got to be clean and clear. Your cups must be clean and clear before God or God cannot work with you."** [61-0308 Expectations, Richmond VA

"Now notice, closely. **They--they were expecting, these people were, to see God. They had an expectation in their heart to**

see those things happen, and God granted it to them. Now, you've got to desire it. David said in the Scripture, "When the deep calls to the deep... The noise of thy waterspout." Now, before there can be any--any deep to call in here, there has to be a deep out there first to make this deep in here call for it. See? " [54-0220 Expectation, Wood River IL]

"Abraham, he didn't notice the well-watered land, for he lifted up his eyes and saw the tomorrow; for he'd inherit all things. The real Christian, today, lifts up his eyes and sees the promise of Christ: "Blessed are the meek, for they shall inherit all things; they shall inherit the earth." The real Christian, by faith, looks up and sees that. Call him what you want to, He lifted up his eyes, and when he did that, God said, "Abraham, walk through the land; she's all yours." By faith Abraham did this, the same faith that Moses had." [58-0720M By Faith Moses, Jeffersonville IN]

QUESTION:

Should Believers Pray For Medical Science?

ANSWER:

"Is there no balm in Gilead; is there no physician there? why then is not the health of the daughter of my people recovered?"

[Jeremiah 8:22]

"The fruit thereof shall be for meat, and the leaf thereof for medicine." [Ezekiel 47:12]

"They that are whole need not a physician; but they that are sick." [Luke 5:31]

"When they find some kind of a serum,

that'll--that'll help somebody, my, the newspapers publish it everywhere. My, penicillin, or something, oh, how they just flash it everywhere. This Salk vaccine, and so forth, how they flashed it everywhere, because they found something that would help people. I'm salute those people. God bless them. I'm so happy for that. But they'll publish that in every little newspaper throughout the nation. And Almighty God can make the blind to see, and the deaf to hear, and the dumb to speak, and they'll turn it down and won't put it in the paper. Say, "It's fanaticism." [Come, Let Us Reason Together, Chicago, IL 55-1004]

"Yes, they got real men in there. And they

got some renegades too. And don't holler at them, 'cause we got some others, renegades, that calls themselves "reverend." That's exactly right. So sauce for the goose is for the gander. Yes, sir. A man's got toxin and-- and Salk vaccine for these little children, and now polio. I pray daily that God will send us something for cancer. If we can't have faith, let's get something else. Faith is the first. Let's take the next best if we can't get that. Look at the world in the condition it's in: poor suffering humanity. Help everybody you can. Everything that helps is of God. Let's help; let's do everything we can and pray for men. The thing to do, brethren, is get our arms together, both medicine, doctors, hospitals, nurses, church, and all together, and put our faith in God and move forward. That's what we need. God's going to ask us why we didn't do it some of these days." [Why? Bloomington, IL 61-0413]

"I believe that all healing comes from God. I do not condemn doctors. I think that doctors are God-sent to us. Hospitals and clinics, do I condemn them? I constantly pray for them, that God will give them knowledge to help poor suffering humanity. And I'm very grateful to God for everything that He's done, for penicillin, for the Salk vaccine, for everything that He's done, and pray that the hour will soon come when they'll find something to curb cancer and-- and the other diseases. If it ever comes, it'll have to come through God alone. I think if we Christians would spend much time praying for that, we'd be better off, to the whole human race." [Expectations And Leadings Of The Spirit, Edmonton, Alberta, Canada 57-0811e]

"There was a time when there wasn't any toxin on the earth for smallpox. Many died with smallpox, because there was no toxin. Diphtheria, no toxin, but now you can get inoculated from that. When an epidemic breaks out in the city, quickly you go down and get a smallpox vaccination or a diphtheria shot. They got toxin. I'm thankful for that. I'm glad of that. I'm glad we got it. And the Salk vaccine for little

children, I thank the Lord for that. Pray that He will give us more and more." [Why? Shreveport, LA 60-1126]

"I thank God for every serum that they got, for the Salk vaccine. Pray constantly that God will give us something for cancer, for poor suffering people. Anything can do to help, I'm for it. Yes, sir, I'm a hundred percent for it. And if we Christian people would pray more for such things as that, we'd be better off. The whole country would. Yes, great men, they give their lives just trying to fight back at those things that cripple children and everything. Certainly. I certainly thank God for everything He's done for us. I thank God for an automobile. I thank God for soap to wash my hands with. And all the mechanics, all those things, I thank God for them. Certainly. There's one time we didn't have soap, you know. There's one time we didn't have an automobile. If I wanted to walk over to Phoenix I could take off, but I thank God for an automobile. I get in and trust Him, right down the road as hard as I can go. See? So we thank the Lord for those things. All things that's good to help us comes from God. Certainly." [Why? Beaumont, TX 61-0125]

"Some woman said to me some time ago, said, "What about, then, what're you going to say about penicillin for the flu?" "Well," I said, "penicillin is just like you had your house full of rats. They was eating holes everywhere, and you put out some rat poison, and poison the rats. That don't patch the holes. That's right. Penicillin only kills the germ. It doesn't patch the holes, or build up the tissue that it tore down. It takes God, the Healer, to do that. He's the Lord who heals all of our diseases. Certainly, I believe that, and I'm thankful to God for these toxins, and the Salk vaccine. And it's a dangerous thing to not take it. The little children, and things, to get inoculation, what would we do without such? Now, everybody can't have faith for healing. They should, but they don't. So what would you do? You'd just have sickness, and, oh, it

would be a terrible place if we had no hospitals, or things. It'd be an awful place if you didn't have hygiene, and so forth, health clinics, and what we have. We thank God for everything that we've got. Every good thing cometh from God. Certainly." [Why? Phoenix, AZ 61-0128]

"There was a time when we didn't have toxin for typhoid fever, a time when we didn't have toxin for--the--the Salk vaccine

and stuff like that, and--but now we got it. That's exactly. We got it now. Thank God for it." [Why? Beaumont, TX 61-0125]...

I'm enjoying the lwb app which has been a lot of blessing to me after the lecture on how to use it during the Ughelli (Nigeria) Convention. I bless God for using you to help us here to link God through His Word daily, behaving like the believers in Berea (Acts 17:11).
THANK YOU.

Dear Brother Robert WILSON,

SHALOM. How are you ? We are still rejoicing for the convention in our country, Benin Republic. Everybody is very satisfied. They want you to organize another one. I've recorded in my local assembly three wonderful testimonies of miracles from that convention. A healing from headache and lack of sleeping since more than five years; a solution to a serious official problem in a public service and a solution to a problem of a sister with her husband. May God bless you and your ministry. Do give my greetings to Pastor Billy Ivy
